WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED during the journey from San Francisco to Mount Shasta, California, United States, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My most precious children,

Finally, after several cycles, the Sacred and Blessed Hearts touch with Their Feet all of North America to purify it and to bless it through the Love and Grace of God.

Today, your Heavenly Mother reapproaches the soul of the United States and its guardian angel so that the precious souls who live here may be protected, and one day find the path of Spiritual Purpose; just as the Purpose of this nation needs to be recovered so that the existence of this country is guided and conducted as the Father established it in the beginning, long before North America was a reality.

With Our Eyes and Our loving gaze placed upon the spiritual debt that this nation has acquired in recent times, We, as Sacred Hearts, will be praying that Justice will give way to the work of God's Mercy and Love, not only for this entire nation, but also for each and every soul found here.

Dear children, the pilgrim and humble Feet of the Lady of the United States also come to America for the innocent souls of the unborn, and also for the souls of the prisoners and of those who, to this day, live under the death penalty, which must be urgently abolished.

I need that, in this new Pilgrimage for Peace, hearts from all parts of the world unite with the Heavenly Mother and, through prayers, accompany Me; because, in this period that has been granted to Me through this pilgrimage, I will be able to intervene in many urgent matters.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of the United States
