MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE AND MOTHER OF HUMANITY, TRANSMITTED IN EL BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I am the Mother of the New Humanity, the Mother of the New Being, of the New Human, which gestated within the Womb of the Servant of God, just as His Firstborn Son expresses perfection and likeness with the Father.

I come, My children, to place each one of your essences in My Heart and in My spiritual and divine Womb, so that you may be reborn and that, from your victorious redemption, the New Being and the New Life on Earth may arise.

Fruit of the redemption and rehabilitation of beings, fruit of the reconciliation between men and God, fruit of the awakening of hearts, in order to remember their Origin and purpose: this is the New Life on Earth; this is the Life that I come to establish through you, by Divine Will and Purpose.

With My Love united to the love of your hearts, I come to remove the power of illusion, of indifference, of human will and of the wickedness that permeates the hearts of humans. And making you free from all evil and clean from all stain, I come to give you the Grace of being worthy children of God, worthy representatives of Your Creator Father on the Earth.

I come to awaken ambassadors of peace and good, precursors of a New Time, in which duality will be overcome by the power of Love and Unity, which will reach the Earth through the sincere prayers of the children of God.

I come to demystify the celestial mysteries so that illusion may cease to be the truth in your lives and that, awakened to the true meaning of human existence, you may get to know the divine mysteries, the universal life and the celestial dimensions, which have always been hidden from your hearts, and now they must express themselves.

Pray, my children, for a redeemed America, for nations that lay their faces on the ground and, in humility, cry out for peace and for forgiveness.

Pray for a planet that awakens to Unity among beings, and pray for Love to be a necessity within each being. A necessity that makes you overcome arrogance, pride and vanities, which until today have led you to perdition and deception.

Pray for the Americas and also for the planet. Pray that, until the end, all nations may have an opportunity to know peace and Truth, and knowing the Truth, they may choose between the old and the New Human.

Pray for ignorance to be dissipated from the hearts of beings. And pray so that the Truth may reveal to you that Love must prevail beyond all human understanding and science, beyond religions and

cultures, beyond differences and borders, and even dimensions, so that nothing else may separate you from each other, and nothing may separate you from God.

Today I pray with you before God, and I cry out to the Father for a New Life. I cry out so that the Being that is being gestated within Me be born in your essences and, as mysterious as the birth of My Son Jesus, you may express the New Life and the New Human.

I love you and bless you, and with My Heart full of Love, I thank you for making My words and My divine aspirations a reality.

Your Mother Mary, Rose of Peace and Mother of the New Humanity
