DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FÁTIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Keep vigil, in prayer with your Lord, so that in these times He may find His companions and apostles awake, aware of the agony and the passion of the planet, truly ready to surrender their lives for Christ, through the small and big sacrifices that bring them closer to God.

Make an effort every day to offer something more of yourself to the Father, in the name of the whole of humanity. Let your prayer, your song and your surrender deepen and each day become more sincere and unconditional because of being the instruments and the vehicles of your union with Christ, of your service to His Plan of rescue in this world.

Pray and be in vigil with the Lord, because it will be in this way that you will be accompanying His steps. It is in this way that you will be consistent with His spiritual presence in this world. It is in this way that you will prepare His path of return to Earth and will be worthy of being with Him in the institution of His Kingdom.

Let prayer be the water without which your soul cannot live, and let sacrifice be the food for your spirit. In this way, child, every day you will be closer to God, and as a result, you will elevate this world and its humanity with you.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
