DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JORNEY FROM THE CITY OF SAO PAULO TO PORTO ALEGRE, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Many are the servants who work in My Name and realize works of peace and good in the world. This goes beyond religion or faith, because through them I take forward the highest work of My Divine Mercy.

In these souls I allow to descend the power and essence of My Works so that through this chain of love and fraternity, the rest of humanity can feel the invisible and silent presence of My repairing and healing Love.

This service, which is offered by all of My servants of the world, has them meet other servants of Mine, and thus the spirit of brotherhood and peace is established; there the Celestial Church manifests, which unites, with love and light, all servants.

Through My servants, I can supply the spiritual needs of humanity. And gestating through them Christic Love, more conflicts and confrontations are avoided in the world by the mere fact that there are souls donated, in service to My Heart.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
