Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

My Son ascended from the Mount of Olives to Heaven and the Universe of the Father received Him in praise, glory and rejoicing.

The Son of God returned to His Celestial Home with the mission accomplished and He promised to return to humanity in the end of times. The Celestial Home was illuminated by the Presence of the Redeemer and a golden Cross was placed on the right side of Our Lord.

From His Son, the Father received the warmest affection, which flooded each divine space, causing it to become more sublime and fraternal among the angels and archangels.

The Son of God was crowned, and at the Feet of His Father, received the blessing of the universe and of all Creation.

At that moment, everything shone and was reflected in the universes. An expansion of Love radiated to every living being and what was previously spiritually dark achieved illumination and redemption, because the beloved Son emanated divine and unfathomable Mercy from His noble Heart.

I thank you for responding to My call!

Who blesses you always,

Your Mother Mary, Rose of Peace
