**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

It is the repentance from the heart that will take you to the healing and to the redemption of your own aspects, those that are part of the earthly life.

My main call in Kibeho was to make humanity rethink through the recognition of its sins and the conscious repentance; this was not possible in Rwanda because pride and the considering the culture of that place as their own, led the whole nation to a bloody destiny.

I went to Kibeho trying to avoid this serious tragedy, which is already history, but still has not been healed in the heart of My Rwandese children. They did not live love, they forgot about it and only headed to defend the culture and the realization of their personal works. Here is the great failure of this humanity, to carry forward its own ideas and modern principles and afterwards, end up in the abysses, leading millions of souls to desperation and sorrow.

For this, children, in Kibeho, the Lady of the Word, tried to make us understand that in the existence of the One and Only God, all should obey the Divine Will so that chaos would not reign and the spirit of peace would be manifested. But in those moments it was quite the opposite and the humanity of that place preferred to turn a deaf ear to the urgent call that was coming directly from the Queen of Heaven.

Today, My children, I teach you to get to know the devious and confusing paths that our humanity traverses, and how the pride and the lack of internal humility before the Will of God, modifies the destiny and the spiritual futurity of a whole nation.

Even though the revelations transmitted in Kibeho were very clear and precise, only a small group accompanied in fidelity the call to conversion, to prayer and to repentance. In this era, in which serious actions by humanity continues to occur, and the life of a brother is taken away by the own hands of another brother, the world goes off and loses its innocence without giving rise to receive a greater help.

For this My Son sends Me to be among you, so that you may start living consciously the time of your purification and so that all the self summed by the Merciful Universe of God may prepare themselves to face the end of a time.

The constancy and the absolute faithfulness of the people of Rwanda could have avoided the bloody tragedy. Now, even though very few truly listen to the call of God, your Heavenly Mother invites you for the last time to live the faithfulness before the Higher Plan, which calls you to realize all that is possible in what seems impossible.

The spirit of prayer and forgiveness will be the matrix keys so that in the end of times, the Plan of

the Highest may manifest. For this I come from the Universe to help you, to redeem you and to place you active in the immediate service for peace.

Who will encourage themselves to follow the Queen of Heaven?

I thank you for answering to My call!

Who bless you and unifies you in the Heart of the Celestial Father,

Your Mother Mary, Rose of Peace
