**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear Children:

The time of the purification of each soul, of each consciousness, refers to the moment of being consciously able to be freed from many past spiritual experiences that compromised the walk and the evolution in degrees of love.

For that reason, to get rid of that past history means to open up without fear and leave behind any resistance that may interfere.

This is the time to make a synthesis of your life in order to close many inner doors that only lead to states of consciousness of suffering and pain.

The time of purification is to be able to move towards a new stage that will place each consciousness on another step of awakening and redemption.

However, the moment for coming to know the reality of each being is like facing something that would have no solution. But through Grace and Mercy, consciousnesses can heal the past, daring to take more steps in love and in compassion.

By following in the steps of the Hierarchy, souls will achieve the peace of knowing that they are already in another school.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
