DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Let prayer be like a flower that opens over your heart and allow the subtle fragrances that it emanates flood your spirit and your whole being.

Let the very light of the flower of prayer sublimate the innermost spaces of your consciousness. Trust in the power of the Word and in the amplitude of its creative energy.

Let the flower of prayer work in you, according to its time and not according to your expectations.

The flower of prayer shows you the hidden inner beauty, beyond a delayed purification or a delayed test.

Let the flower of prayer, over your heart, enkindle your soul with love, and may it regain a sense of purpose, whenever it is necessary.

Let the flower of prayer perform the miracle of love and redemption in your life. Feel the peace radiated by the beautiful flowers and the devotion they express in all Creation.

Because, someday, your soul may be like a flower that, having been born, grown and matured in the petals of love, forgiveness and redemption, will express what God so much expected of your essence.

Trust and continue to turn your life into a flower in adoration and devotion to God.

I thank you for responding to My call!

Who Blesses you,

Your Mother Mary, Rose of Peace
