DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

As the Celestial Church spiritually approaches the planet, the greater will be the inner and physical movements of humanity.

It is like a great Light that enters into the abyss and the darkness of humanity to turn night into day.

It is at this moment of worldwide inflection when souls must aspire, even more wholeheartedly, to allow the Celestial Church to free them from the chains of errors and suffering.

The Celestial Church will descend with Creative Power and give those who welcome it an impulse so that they may profess their faith and trust in the Eternal God.

While the Celestial Church begins to open its main doors, the angels come out from within it, descend to the Earth and prepare its solemn arrival.

But you, My children, must sustain this moment, since the Light and the darkness will meet, and from that point on, the last cycle of the battle will be opened, which will define love or indifference within humanity.

The more works of prayer and of good that are carried out in the world, the greater will be the spiritual and inner effect of the Celestial Church; and the souls that had no possibility of salvation will be considered.

At this moment, all those who adore the Blessed Sacrament of the Altar will be collaborating consciously so that the Celestial Church may reach all hearts possible.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
