**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Rest your souls in My Maternal Heart so that I may give you the Kingdom of My Universal Peace. Wash your wounds in the Fount of the Living Christ, and then I will dry you and I will protect you. Find in My Heart the flame that will illuminate you through the paths of the mission of love and peace. Hold the love in your hearts, Love that I radiate to you from My Immaculate Heart, because the moment will arrive to confirm yourselves before God, before His Grace and His Will.

Today I invite you to the conversion of your hearts through the unity of each soul with Christ: the Resurrected and Redeeming Lord. He prepares His return to the center of love in each heart.

For this, My little ones, many of you will suffer to alleviate the great pain of many souls, with the mission of restoring the faults committed towards My Immaculate Heart. Everything that was said before is being dictated by the actions of humans; therefore we must pray so that many souls may be conducted by the Wisdom of God.

Souls live without peace. You, My little ones, have been able to see this with your eyes through spiritual service. My Immaculate Heart suffers when so many children lose themselves. For this reason carry in your hearts the emblem of gratitude and perseverance; they are necessary to sustain life in the Faith of the Lord.

Throughout this last time, My apparitions awakened many children who will be conducted again before the throne of My Father. Therefore I count on you, My little ones, so that in prayer all may be redeemed in My Immaculate Peace.

Keep My words in your hearts so that they may reverberate like seeds in the coming time. I am walking with each one of your little hearts.

Who guides you always,

Mary, Mother of the Divine Conception of the Trinity
