FOURTH SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 12 NOON, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The group gathered on the Hill of Apparitions at 11:00 am to begin the attunement prayer. The praying began with the "Prayer to the Universal Mother."

Friar Elías del Sagrado Corazón de Jesús:

Let us prepare, the Lady is coming.

At that moment, the choir was intoning the song "Meeting with Mary." Afterwards, there were 33 strikes of the bell, announcing the Apparition of the Celestial Mother.

Hail everyone. I Am the Divine Conception of the Trinity.

Friar Elías del Sagrado Corazón de Jesús:

She is touching this ground with Her Feet. At Her right there is the presence of the Archangel Gabriel and at Her left is the presence of the Archangel Michael.

She asked those who could to kneel down.

I come to announce the Third Secret of Fatima, which is even more prophetic.

At that moment, Friar Elías, in a private manner, tells Mother Shimani and José Trigueirinho Netto what the Divine Mother is revealing as a secret. While this happens, the whole group prays the "Prayer to the Universal Mother."

Some time afterward, the voice of Friar Elías is heard again.

Friar Elías del Sagrado Corazón de Jesús:

Those who feel it, can now stand up.

Our Lady, Mary, has appeared today as the Mother of the Divine Conception of the Trinity, and can be seen more clearly than on other days.

I have come here to announce to you the Light of the archangels, so you may know you can count on them when I am not present on this plane, and I am only in your hearts.

The Archangel Gabriel brings redemption, the Archangel Michael brings liberation. These are the two Father Creators Who will assist the world before the Return of Christ. This is My Good News.

Let us pray for Peace and for Light. Let us ignite the hearts that have been broken for centuries, hearts that once again are here, in this world, seeking the Light within the darkness. The time has come for the revelation; thus, I am here among you, over your consciousnesses and those of the world.

In Medjugorje, I have announced an important part of My Messages; in Uruguay, I have revealed another part; and here, in Brazil, My preferred heart of souls, I will reveal yet another part.

I Am the Messenger of Peace for the lives of those who dare to live each calvary within Me. It is time to descend from the mount and find the new path that leads you to Me, at this last hour, the hour of the end of the cycle.

I Am the Immaculate Conception, the Messenger of redemption for those who wish to listen to Me for the last time. Carry Peace in your hearts, and do not stop because of anything that happens; you know I am here, protecting you in prayer and in love.

I am here to announce that you must carry out a chain of prayer; and this House of Mine, just like the one of Fatima, must progress in the praying verb. For those who want to hear the Voice of the Heavens, this is the moment of protection through Words.

I Am an emanation of those Heavens, and I bring you My Spirit of Peace so you may feel It and open to It.

I speak the same Words I have repeated in the different Apparitions throughout the world: only prayer is Peace. Eternal Peace is the living and ardent prayer that transcends borders and opens the barriers so that all, in time, may come to Me.

I am here, in My Kingdom, waiting for you.

Let us pray for peace in the Middle East and for the love and the rescue of My beloved African community.

I Am the Queen of all places, Who carries the same Message in Her Voice so that, at the end of this time, all come to Me. I come to everybody when you open up without restrictions; for Love, which is not of this world, can do all things, a Love that nurtures the heart and brings life.

Whoever wants to go on pilgrimage on My path will be saved and victorious.

Friar Elías del Sagrado Corazón de Jesús: Together with Her, let us repeat the prayer "Luminous Bird."

Everybody prays some beads.

By the Power of My Immaculate Heart, in the name of the Father, the Son and the Holy Spirit.
Amen.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother is announcing She will give a blessing to those who are ill. It is important that all those who are ill approach the tree, and if it is not possible for you, remain in your places.

While we wait, let us pray the "Prayer to the Universal Mother" together with Her.

At that moment, many people who had some illness approached the tree.

I Am the Lady of Graces and reconversions of the spirit, the relief from all pain and the safeguarding from all evil. I Am the Original Virgin, the support of hearts, the flame that burns in pain, that opens the purification of faults.

Today, accept My Merciful Heart and feel at rest in Me. Do not fear, I am with you. I Am the Mother of Sacred Providence; I have been here on Earth and know how it is.

Friar Elías del Sagrado Corazón de Jesús:

Now She is opening Her Arms and stretching them downwards, She is radiating a light blue energy.

Two white rays are coming from the center of Her heart, projecting downwards, and Her Stars are also lighting up.

The tree is becoming more and more invisible, and on each side of Her appear three angels, that are opening a deep and light blue Heaven.

Now, She is embracing a Christian cross and transmitting the following Words:

I Am the Patroness Who carries the cross of redemption. Touch My Feet and feel My Fire.

Friar Elías del Sagrado Corazón de Jesús:

Her Feet and the roses are lighting up.

I know you believe in Me. Be with Me; you will lack nothing in this Kingdom where you will find Me after this offering you have made.

Love heals and if you feel Love, you will be healed.

My time to leave has come. I will meet with you again soon.

Now, other children need Me in another part of this world. My Bird of Peace must travel there so that others may also find rest in this world in purification.

Remember Me as Mary if you want to feel Me closer to your hearts. I Am Mary, the Universal Mother. I Am the Bird that descends now from the Heavens to your hearts.

Remember, remember, remember, remember, only Peace, full Peace.

Friar Elías del Sagrado Corazón de Jesús:

She has now gone and greeted us with Her Peace.

The whole group first intones the "Hail Mary" and then the song "The Woman Who guides us."
