**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My Heart of Light can convert the hearts out of love.

The biggest pain of humanity is guilt in the heart. It is like a stuck arrow that does not allow for liberation and forgiveness. For this I call you to alleviate the guilt of the world, a guilt that separates the hearts from God and that generates suffering.

But the time has come for the world to revert everything through the presence of peace. Guilt causes lack of peace in the hearts of My children. For this reason, dear children, each guilt that you feel in your hearts must be healed through a sincere act of love and reconciliation.

Each one of the Gifts of God, such as His Spirit and His Mercy, can be the Primary Source that may help you, as humanity, to liberate yourselves from guilt and from pain.

Dear children, humanity is at the doors of redemption, as are each one of My children. This is why the permanent strength of the prayer of the heart will allow you to persist.

The Heart of My Son is offended daily, but when some of My children fall into guilt or pain, My Immaculate Heart helps this heart that must, as a soul, start again.

My children, each one of your hearts must be redeemed through Mercy. For this reason, accept that you are still on the path of the rehabilitation of the spirit and of the heart, because if you did so, you would be able to travel in life through the pathways of My Peace.

The world lacks much peace, but even more it lacks serenity in the hearts of each one of My children, who will be able to find it in daily prayer. May you be conducted by My Maternal Grace of Redemption. No longer offend, and live in the Heart of My Son. My Maternal Spirit forgives you and loves you.

Thank you for responding to My call.

Redemption for the heart of each one of My children!

Mary, Mother of the Divine Conception of the Trinity
