**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Awaken the Light of God in your hearts and never lose the joy of being in My Resurrected Son.

Dear children,

When you live in the ocean of prayer, as humanity, you enable the creation of a perfect alliance with God the Father. Therefore, dear children, every day the world needs faithful instruments of prayer that may unite to My Son through My Immaculate Heart. Through this pathway of prayer that will lead you to peace, I invite you today to remember how important it is to live from the constant fruit of prayer.

The soul that is invaded by the Spirit of Prayer will be reconciling itself with God the Father, and the Holy Spirit will give it, by Grace, each one of Its Seven Gifts.

Dear children, for this reason, I not only invite you to live from prayer, but I also remind all My children that they must as well be saved from their own human lives. It is now time for souls to manifest the gift that God granted them from the moment of Creation.

My children, while from the Holy Spirit are emanated Its first signs for the world through the presence of My Immaculate Heart, God is radiating His Gifts of Peace by means of My Heart and the Holy Spirit.

Beloved children, the Holy Spirit and My Immaculate Heart are the strength to awaken Mercy in souls, preparing them for when My Son returns.

Dear children, the path that each soul is choosing to travel in life will lead it to be closer or farther away from God. For this reason, dear children, I come day by day to remind you that there exists only one path towards the Father, which is through My Son, who will announce Himself to the world for the second time. Search for My Son in your hearts so that you may be able to see Him coming from the Heavens.

Thank you for responding to My call.

Love for all from My Immaculate Heart.

Mary, Mother of the Divine Conception of the Trinity
