WEEKLY MESSAGE,

TRANSMITTED BY MARY, QUEEN OF PEACE AND OF THE CONVERSION OF THE HEART TO THE VISIONARY FRIAR ELÍAS

My dear children:

With joy I gather all of the pilgrims in My Great Maternal Heart and today, from there, I thank you because all of the groups of prayer of the entire world, and especially the groups from Rio de Janeiro, have prepared themselves to receive in love and in charity the Holy Father Francis.

Dear children, as a Mother, through My requests, I reveal to you My mystery of love, the same that I lived on Earth for all of humanity. As the Queen of Peace today I bring to you the good news from Heaven, I bring to you between My blessed hands a definitive seal of union and Marian love of you with Me, with your Mother.

This Grace that today I share with all of My children is an Infinite Grace of Mercy that comes from the divine aspirations of My Maternal Heart. Today I tell you, My little ones, that your Mother, Mary will deepen Her worldly task from the upcoming month of August and this task will bring important fruit for the month of September.

Your Most Beloved Lord Jesus Christ will awaken all of His flocks with a new call that will be realized through a monthly task which all of the missionary group that I have named as the Children of the Divine Mother will donate with love.

Dear children, the Queen of Heaven will bring with Her new keys of light that will be revealed through the task of the visionaries and all of the group of the Divine Mother. I want to tell you, My beloved ones, that God has proposed to the Lady, the Faithful Servant, a request and a Volition, those which were being drawn little by little since the first transmissions of the monthly Apparitions of My Maternal and Immaculate Heart, and now this celestial request has become a reality and a necessity.

For this, until the month of September of this year all of My work, the Work of the Sacred Heart of Jesus and of the Most Chaste Heart of Saint Joseph will be expanded through a new means of diffusion that will arrive to all of the corners of the homes of My dear and blessed families of this humanity.

If this request is from now on accompanied by the loving and faithful prayers of all of the pilgrims, your hearts will be prepared for the new times of changes.

My dears, as a Mother I Am announcing to you a Grace that God has conceded to Me and that from the month of September will be seen by all. For this pray and continue to fast on the days that I have indicated to you. In this way this Marian and ecumenical project that in a few months will be born for the good of the world and of humanity will knock on the door of many hearts, mainly of those that need peace and light.

My dears, remember today what I tell you because My requests will be fulfilled through your loving spiritual and charitable help.

I thank you for answering now and always to My maternal requests!

Who blesses you,

Mary, Queen of Peace and Mother of the Conversion of the Hearts of the world.
