MESSAGE FOR THE APPARITION OF THE MOST HOLY VIRGIN MARY, TRANSMITTED IN THE CITY OF SÃO CARLOS, SÃO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA

Dear children,

When a child of Mine calls Me with the truth of their heart, so that My Presence may radiate the world, My Immaculate Heart receives permission from God to respond to this call. When I become present, in My hands I bring the Will of the Lord for each of those who convoked Me.

My Presence on Earth always has a spiritual reason. God allows Me to respond to the call of those most in need of My Presence and of those who are ready to take a new step.

To those who convoked My Immaculate Presence with the fervor of their spirits, I say:

In My arms, I bring the designs of the Lord for each of your lives, and in My hands, I bring a luminous rosary that needs to be run, bead by bead, the hands of humankind.

The fire that ignited the hearts of those who call Me must be even greater in light of My Presence, so that, through faith and absolute faithfulness to the Heart of God, you may bear the Will of the Lord that descends through Me, and the new impulses of transformation that My Heart radiates.

You are in My Presence today because your souls called Me, and I, responding to that call, bring them into My Heart.

My beloveds, even though you are not aware, all those who listen to My voice take on a commitment to Me, all those who become aware of My Presence receive an opportunity from the Lord of beginning a new cycle in their lives and in all their existence, forgiving and redeeming the past, to build a new dwelling place and new learning in infinity.

If the good news of My Presence in the world has come into your little hearts, you must deeply reflect on the responsibility your hearts are assuming.

You are in a time of chaos, in which peace almost does not exist in the world, being called to live a transformation of your hearts, to be guided step by step on that pathway of conversion, guided by the Queen of Heaven and Earth, crowned with stars by the celestial angels and chosen by God to prepare the world for the coming of the Redeemer.

The Lord observes the response of His creatures with profound attention. He knows each movement of human hearts and knows the virtues and weaknesses of each of His children.

My beloveds, My Words universally resound so that all that come into contact with this Divine Word may feel My Presence and discover in each word the encouragement and impulse they need to continue forward.

I come as Mother and Queen of Peace so that peace may be born again in the heart of humankind and may not disappear from the world.

I come as the Mother of the Divine Conception of the Trinity to conceive the Holy Spirit in each human heart, and in this way, withdraw the veils of ignorance that separate My children from God and from the Universe in which He dwells.

I come as the Mother of the World and Universal Mother to unveil the mysteries that were hidden from the hearts of the world during all these centuries of existence because few were capable of going beyond the knowledge and the barriers of the mind to plunge into the infinity of the Heart of God through their own hearts.

Today, My children, I again invite you to awaken, to discover God through prayer, to the discovery of love through communion, to the discovery of pity through a true fast on the part of souls.

As Mother and Pilgrim, I invite you to accompany My steps, to live My Words, which are not Mine, but rather are the echo of the Voice of God, resounding in the world through His Faithful Messengers.

It is time to awaken, beloved children, to live a life of greater fraternity and peace through constant service and daily prayer.

You can count on My Presence for taking new steps towards transformation and re-conversion. You can count on the Voice of My Son to open your hearts and call on you to follow in His footsteps.

In this time, God gives Heaven into the hands of humankind. Who will know to accept?

The Universe of God awaits you.

I love you and I bless you for all eternity.

I thank you for allowing yourselves to be guided by My Heart.

Mary, Mother of the Divine Conception of the Trinity
