**MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY THE MOST HOLY MOTHER OF GOD, THE VIRGIN MARY TO THE VISIONARY SISTER LUCÍA**

As Luminous and Redeemer Bird I bless you today and forever, sealing in this way the commitment of all of My little children with My Heart.

My beloved ones:

With infinite joy, My Heart descends to Earth because in this blessed House of Redemption I find courage to take to the souls that need it the most.

Here, in this Aurora of the Heart of God, I want that the world find the Peace that does not exist in the nations. May among your hearts reign a Fraternity that is strengthened through Love and Unity.

Open your arms to receive all of those who may approach to this House, do not fear to receive not even the most lost of My children because I will encounter them and I will make them return to God through your hearts.

I want that here, in this House of Redemption for the world, to be lived a Sacred Charity that may act upon all things. Learn to live in eternal service, each one with the others, because in this way you will awaken, one in the others, the Sacred Gifts of the Holy Spirit.

I requested that this House be built of brick and straw so that you would be able to know how to live the Sacred through simplicity. I want that you discover the Kingdom of Heaven in the simple life as it was with the Sacred Family of Nazareth.

All of you, be very chaste, helpful and pure as Joseph. Be loving, welcoming and praying as Mary. Be faithful to God and to His Sacred Plan, for beyond any circumstances that may be presented in your lives and, as Jesus, never fear to carry the Cross that the Lord may send to you; On the contrary embrace this Holy Cross as did the Master who showed you the path to Redemption.

Little children, even though My Word retreats these months into its House, My eyes travel through each space of this place and know the need of each one of your hearts. As the Blessed Mother I observe you in silence and at the first opportunity that you open to Me the doors of your heart, I will answer to the call of your hearts.

I want in this day to thank My little ones who persevere in the heat of this New Aurora, who unite themselves daily to My Heart and to the Heart of My Son. Know My little ones, that you are answering to My Call and that you are answering to the Will God.

When My Heart encounters with all the pain that exists in the world It does not get discouraged because It knows that there is a small place, of bricks and straw, to which It will return and will find ready the few but faithful soldiers of My Heart.

Do not get discouraged before the tests because the Lord allows you to live trials so that you may be strengthened for what will come. Never forget that the King of the Universe achieved the Glory of Heavens through the Cross, through the Love that persevered while His body hung on the Cross of all

the Misery of the world.

I come to strengthen you, to warm you up from the cold that comes, so that you may always find in the Fire of My Heart a safe space where you may warm up your little hearts.

Come, without delay, to My arms because on this day I am as Your Divine and Sacred Mother, as a Mother who comes from very far to be with Her children, as She knows how much they need Her presence.

I love you deeply and I will thank you always for waiting for My Heart, and for answering to My Call.

May the Holy Spirit be in your hearts.

Mary, Mother of the Divine Conception of the Trinity and Our Lady of Aurora.

When She finished transmitting the Message, Mary stayed a while with us and She started to pray the following prayer:

**Prayer of Union with the Holy Spirit**

**Spirit of Redemption and Life,  
Holy Spirit that restores and illuminates all,  
Descend upon the hearts that wait for You,  
Fill the hearts that call You,  
Renovate the essences of those that suffer in the world.**

**Awaken Your Gifts in those that aspire to eternally serve God.  
Awaken Your Spirit in the hearts of the world  
and in all of them find Your Eternal Dwelling,  
so that the Glory of God may be manifested on Earth  
and the Sacred may again live in this world.**

**Amen**
