SPECIAL MESSAGE FOR THE VIGIL PRAYER IN BUENOS AIRES, ARGENTINA, TRANSMITTED BY THE BLESSED VIRGIN MARY TO MOTHER SHIMANI

My beloved children:

In this so important day, in which thousands of consciousnesses prepare themselves to define their lives forever, I want to thank with all of My Heart for this task that all of you encourage yourselves to realize with Me.

The One and Only Father in Heavens lovingly observes your souls and essences and wants to pour one special Grace of love and hope over all of you who represent this Nation at this moment. When Argentina has consecrated itself to My Immaculate Heart, the light of God will shine from north to south and from east to west. The New Jerusalem must merge itself with the consciousness of South America and you today are being part of this project of the Promised Earth.

Do not grow weak My children, be firm in your inner world and open your hearts to be partakers of this project of God the Father.

Together with Me you will peregrinate through all of the nations of this blessed continent until that the last of My children may have the opportunity to feel Me and to enter into My Heart.

From the beginning of the Plan of rescue for the souls Our Lord designed that this region of the world would live a special learning of love and redemption and that it would project itself towards the rest of the world. It would be a learning of pure fraternity, the one which would take it into the full integration of creeds, religions, people, languages, races and all its societies and in this way, in integration, humanity would be able to find, through the spiritual ecumenism, the definite path for unity.

It is through this unity that you will live in the New Earth, when all may have the same spiritual opportunities, the ones which will allow you to live in a material harmony in this Sacred Planet blessed by the Hand of God since the beginning.

Remember that in this world God put the feet of His Beloved Firstborn Son, the one who He gave to you so that you would learn from Him all that is new, the renovator.

Today God the Father will give you again His Beloved Son. He will again touch with His Feet this Earth. All will see Him when the Heavens open themselves and He starts to descend in spirit until, as He comes closer to this Earth, He converts Himself into flesh and lands His Feet as He one day has already done.

The one who contemplates Him walking will transfigure its being, the one who listens to Him talking will convert its cells into light, the one who places their eyes in His Eyes will see the Face of God.

Listen to My Voice, My children, that calls you so that you may be united to Me more than ever.

I wait for your hearts tomorrow and in the following days together with My son Ivan. Let us unite in the inner of the heart what God has already united in Heaven. You will soon understand what in this time you have participated in and know, My beloved ones, that you will never more be the same.

I thank this house that has had the Grace of receiving Me. I want that in this place the light of the prayer of the heart illuminate all of this city and this Nation. I leave deposited here the seed of My Immaculate Heart so that it may germinate in love for all.

I ask you that you pray, that you always pray with love and sincerity for all those who do not pray and do not hear My maternal call.

I place you all in the Sacred Heart of My Son Jesus Christ because in Him you will always overcome the fear and the evil that may surround you.

I love you, dear children, I love you and I thank you again for all that you do for Me.

I wait for you all in My Immaculate Heart.

Mary, Queen of Peace.
