Special Message of the Most Holy Mother of God, transmitted in Olinda, Pernambuco, Brazil, to the visionary Friar Elías

My dear ones,

I will uplift the essences of My Father, one by one, and I will free them from the abyss; with the swords of the angels, I will cut away all evil and the Kingdom of God will be established on Earth.

Under the Light of the Favored Son, Christ Jesus, souls will be touched by the strength and the power of Mercy. Nobody will remain outside of the spring of Grace, because all My children will be participants in redemption.

May the servers of Christ open their eyes, because the boat of Heaven will be passing by to rescue all those who sleep without consolation and who leave spiritual life behind.

Thus, My Mantle protects those who have responded to Me and I will find no sadness in those who serve the Creator of all things.

In My Son, Christ Jesus, those who have fallen will reemerge. So that Christ may reach them, He will avail Himself of His soldiers and apostles of the New Time; everything will be fulfilled and the New Humanity will emerge, but they must pray a lot so that the Kingdom of the Most High will hear them.

Now open your ears and listen to the melody that awakens true prayer; may all commune of this sublime Grace and may nobody be lost in the darkness; because I am the Sun that shines in the shadows, I am the Star of the new dawn. Aurora sings and rejoices because the victory of the Kingdom conquered each heart.

The children of the Father are awakening and will collaborate in the redemption of life and all existence.

Together, the pilgrims unite the borders, and the New Humanity emerges, governed and guided by the Emblem of Christ, the Son of Man, Who returns with His new Face.

The simplest, purest and most humble hearts will be those most open, for in glory they will receive the honor of serving the one God.

The Judgment, which seems to be so extensive to the world, will be permeated by the Mercy of the Redeemer, and the Mother of Consolation will gather the fruit given by the servers of God.

This sacred offering is raised to the infinite Heaven and placed at the feet of the supreme God of Love.

The Mother of the World intercedes for Her race and a spark of Love emerges from the Heart of

God.

The angels descend in glory to Earth and nurture the prodigious and compassionate Love of God in creatures.

In this way, all see the Son of God coming from the clouds; some recognize His origin, others look with indifference. Woe to those who do not love their brothers and sisters, for they will not be able to see Paradise in front of their eyes.

Universal time calls humanity to a profound change because few are those who give their lives and spirits for the redemption of the world.

Christ will no longer carry the weight generated by humanity, but He will come to free from sin those who in the illusion have fallen from the arms of God.

May the hearts of souls be the true refuge, the dwelling place of the innocent.

May prayer be the shield that will protect you.

May the Holy Spirit be the emblem of Holy Justice, for, in this time, My Heart will nurture arid hearts and take away the thirst of those who are blind.

I take all to the inexhaustible Fount of Christ, for the time of Mercy is recognized by very few.

The new saints will bloom like the flowers of the field and, in the silence, they will give life to what seems dead.

May each soul soon find its path. It is a time for reparation, faith and trust in God.

The Star of the Sun shines upon your faces. At each new meeting, you see the Mother of the Sun, the Queen of the Universe come.

In gratitude, hold on to the merciful Rays that your spirits and hearts receive.

Recognize Who speaks to you, and from where the Higher Light that guides you in love and in silence comes from. You will only be able to awaken to such a great universal impulse when you pray with the imperishable light of the heart.

May your consciousnesses be transfigured in this cycle, by simply being in the Presence of the King of Love. Allow the veils to fall from your faces so that you may awaken to the light of Higher Work.

You still do not know My true glorious Face. I come after My Son, but I am the Queen Mother of the children of God; for them I gave the world the Son of Man, in order to save them from damnation.

But now, He sends His Mother from Heaven, to prepare the path of return for the Redeemer. Repent and confess, God will attentively listen to the call of His children from Earth. If you do this, your lives will not perish, but rather will receive the Grace that your hearts need.

Be vigilant always, and know how to read the signals and the signs that come from the universe. I gather together the flocks of My Son for one purpose, the redemption of your consciousnesses, the conversion of the world and peace throughout all humanity.

I am the Bird that closely overflies your little spirits. Be strong in love and pray out of love for God. In truth and in your surrender to God, you will allow the Father to accomplish His supreme Will.

I thank all the children of Recife and Olinda for listening to My urgent call to conversion.

Mary, Mother and Queen of Peace
