WEEKLY MESSAGE,

TRANSMITTED BY THE MOST HOLY VIRGIN MARY,

IN THE NUCLEUS OF SAO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA

My children,

I Am so close to your hearts in a way that you never could imagine. I come in Spirit, in Sacred and Divine Essence, I come in infinite Virginity and Purity in order to radiate the Archetype mirrored in My presence to all of the hearts of the world.

Today I leave over this city My mantle and over your hearts My Infinite Grace so that you may be able to take the steps towards the supreme Will of Our Lord.

Today I want that the burning flames in your hands represent all of My children that are not present in this place and that day by day their souls distance themselves still more from God.

Today I want that you walk towards Me, in maturity of spirit, recognizing My presence in your hearts.

If today you see the growth of this Marian house of Mine, this nucleus of Salvation for souls, where beings will search for Eternal Grace, it is because you will have an important task of union with Me: you will give testimony of the principle of My presence and, in the face of the Graces achieved by the beings that may pray here.

Together with Me you will be able to contribute the Grace of the memory of this day in which My Spirit, through the Holy Spirit of God, permeated the matter of an image in order to make it into more than an image, but an eternal symbol of the Divine presence and a portal of the infinite Source of Mercy that descends upon the Earth.

The room of prayer of this place represents the inner dwelling of each one of your hearts, this that I come to prepare so that it may be the eternal Temple of the Sacred Heart of Jesus, the heart present in the Eucharist of which you will commune every Friday.

This temple, as well as your little hearts, must be the focus of greater Light for this city because there is nothing greater than the Sacred Eucharistic Heart of Jesus.

This luminous safekeeping must be so adored by your eyes and hearts until may be engraved in them the purity of Christ and His Eternal Love, this which will unite the souls with God as soon as they meet their eyes and hearts.

The Mysteries of Heaven are infinite, also infinite is the Divine Science that converts hearts and souls into portals for the perpetual union with God, as soon as the hearts open themselves to these

Mysteries and allow this Divine Will to manifest.

I invite you to live under Celestial Laws.

I thank you for answering to My Call.

Mary, Queen of Peace and of the Sacred Eucharistic Heart of Jesus
