WEEKLY MESSAGE RECEIVED IN THE NUCLEUS OF FIGUEIRA, CARAPICUÍBA, SÃO PAULO, BRAZIL, TRANSMITTED BY THE IMMACULATE MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TO THE VISIONARY SISTER LUCÍA

My beloveds:

Praised be, today and always, Jesus Christ in each one of your lives!

As blessed souls, servers of the Lord, place today before the Celestial Altar, all the needs of your little consciousnesses and, as humanity, also offer to God the needs of the entire world; because as My Son Jesus has said to you, to the one who asks with sincerity, it will be given.

My dears, I want to teach you to be before God not just as individuals, but as human consciousnesses, so that all the merits generated by your hearts may be for the benefit of the entire world.

In this way you will also learn to work as humanity, measuring each action that you realize, so that by means of the sincere offer of your hearts, the evil caused by humans may be balanced.

I come from the Kingdom of God bringing to you My last Call, announcing to the world the arrival of the Boat of Salvation, so that all of those who have been asleep throughout the centuries may now awake and come to My encounter.

Today I say to you, My beloveds, that My voice echoes to all, and My Call traverses the world, because there is no creature living on this Earth who is not deserving of entering into My Kingdom.

I call the sinners, so that they may repent from their sins, and walk towards Me. I call the blind of spirit and of heart so that they may permit Me to open the eyes of the soul and, in this way, they may see the truth that shines before their hearts. I call those who are fearful of surrendering their lives to God, for them to dissolve the fear in the Love of My Heart, because there is no safer harbor than the Heart of the Lord.

My beloveds, My sacred compassion permeates the world and, above all, it permeates the heart of those who listen to Me, so that they may be the extension of My compassion upon the Earth.

For this I say to you to never forget to work with charity in your lives, to be compassionate, understanding and loving towards others. Never forget that a merciful act transforms the destiny of a soul, and converts their heart into a heart in service to God.

Today I say to you that, more than anything, to seek at this time to be the living example of My Message. Make an effort to live My words, as there is no greater source of conversion than the pure and true example that souls may manifest in matter. For this, dissolve all malice, pride and competition from your lives.

Do not seek to be the first to arrive in My Boat of Salvation; seek first, that all of those who are at your side you may accomplish it. Search for a path of sanctification, by means of the ardent desire of sanctification of the other. Work so that your brothers and sisters may grow in virtues, and that they may act in silence.

This is the key that I give you today.

I love you.

Mary, Mother of the Divine Conception of the Trinity.
