Most beloved children.

The time is coming in which your little hearts will know My true face. A face that will unite all My manifestations on the Earth throughout the centuries. You must not have fear My children, to know the New because the Lord wishes that in this time your hearts renovate themselves and renovate also all beliefs and concepts of humanity.

We are in the limit of a time that will be Eternal in which your hearts will truly know the truth that was never revealed to the world. Those that will open up themselves will live the mysteries unknown even by the Heavens.

My dears, guard these words in your hearts because little by little, day by day, the veils will fall from your eyes and you will understand what My Immaculate Heart seek to build during these times and in the history of humanity.

I am the same from Nazareth, renewed from epoch to epoch so that my little beings may mature with Me. My maternal task evolves together with humanity and also My Sacred Heart renews itself during Its existence following the Law of the Heavens where everything is renovation and Peace.

Dear children, I come on this day to leave a sacred sign engraved in your hearts so that you may find it as you are maturing. My Mercy will allow you to discover how close to your hearts is the Kingdom of the Heavens and through the Spirit of God that is one with My Heart, your little beings will feel the simplicity with which the Word of God speaks with you, and which with Infinite Love the Lord sends us to rescue His children.

Awake My children, awake. The time has arrived for the Spirit of God to enter into your lives and to be flesh in your beings as He did with me 2013 years ago.

Open your eyes, open your hearts. Drink from this Source that My Heart is announcing to you because this Pure Water will change your lives forever.

I love you. love each one of your hearts forever.

Under the Power and the Spirit of God.

Mary, Queen of Peace.
