**MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF AURORA, URUGUAY,  
TRANSMITTED BY MARY, QUEEN OF PEACE TO FRIAR ELÍAS**

Beloved children:

My Maternal Voice is clear and unmistakable in the Kingdom of Heavens as on Earth, because My Voice is the messenger Voice of the Love of God and of the Merciful Love of My Son Jesus.

I want to tell you, My Little ones, that My Heart is accompanying the school of the teachings that in this time you are living.

For this again I remind you that My Immaculate Heart is the path that will take you to Christ. For this My Son announces Himself today to you under a special Most Powerful Grace that the Father has conceded to His Sacred Heart of Love.

My dears, as Mother I pray so that Christ may continue preparing you in this new and renovated cycle of profound changes in the consciousness, changes that all of humanity is living. I pray for My Son to guide you as He has always done, interceding before God for Mercy and Forgiveness before the serious faults that are committed by humanity of today.

For this, dear children, the Sacred Hearts are working for the good and the peace of all consciousnesses so that a larger number of souls may find, in the next time, redemption and paradise.

Dears, as Mother of the Mercy of God, I am watching your steps and once again I call all groups of prayer to persist in the state of the prayer of the heart. If your hearts do not feel the prayer you must observe how your hearts respond to the need and the call of My Maternity.

Dears, I am here together with My Son Jesus, pouring Graces that are little considered by many. For prayer to have power and to give its fruits you must also meditate on how your sacrifice for fasting is, because the fasting offered from the heart and with love touches quickly the Doors of Heavens. When in many moments I invited you to pray, to fast and to confess yourselves, perhaps many of My children did not understand the call.

Fasting is asked in order to detain the wiles of the enemy and to relieve the suffering in the world. Prayer is to keep all groups of prayer under My Maternal Protection. Confession is to liberate from yourselves the faults that you live repeatedly, because if you clean your hearts you will be able to help to purify the closed hearts of many of My children in the world.

Today, My dears, I am calling you to renew your commitment with Me because My Son will return to confirm your inner union with the Father through prayer, fasting and the confession of the heart.

The world moves quickly, much quicker than can truly be seen by humanity, the world suffers and in some places the souls lose themselves by their own action of their wills. The world needs much

prayer and mercy and this is the mission of all My children, so that in a little time the awaited years of Peace may be lived. Purify yourselves close to Me because My Maternal Heart will help you every day.

Now, My dears, for you to see the importance of the total union of My celestial requests, My Immaculate Heart is internally uniting all consciousness through a special apparition in the month of February of 2013 in Salta, Argentina and through an inner task that will also happen with the coming of Medjugorje and Its message during the month of March of 2013 to Uruguay and Argentina.

I want, dear children, that the hearts and the eyes of all religious, lay people and servers who are followers of Christ in the whole world may see that, in the Marian events, My heart wants to show that the Queen of Peace, the Immaculate Mother of the Divine Eucharistic Heart of Jesus and the Mother of the Divine Conception of the Trinity, is the One and Only Celestial Consciousness who manifests Her divine powers to various groups of consciousness.

The Queen of Heaven is the Mother of the whole world!

I thank you for responding to My one and only call for Peace!

Mary, Queen of Peace.
