MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO MOTHER SHIMANI

Blessed and praised be our Lord, Christ Jesus.

My beloved children:

My Consciousness of Love enters the Kingdom of Aurora to bring you comfort and encouragement to move ahead. Hard is the task to which you have offered yourselves, but more intense yet is the love that Heaven sends to sustain you.

Do not lower your arms, dear children, because you are learning from the greatest sacrifice, the one that is experienced when the being no longer has strength to answer the call of the neighbor, which is the call of God, and yet equally surrenders all reservations and also all that which is left. You surrender everything.

In My arms and in the Heart of the Redeemer you will rest and nourish yourselves to move ahead, because in Us you will always find a Source of Life.

Be firm, that your Celestial Mother walks by your side. I am here always to aid you. Go ahead, My beloveds, God observes you with infinite love.

Be grateful always for this unique opportunity to fully serve God.

I love you and I bless you.

Thank you for being always with Me, as today.

Mary, Mother of the Divine Conception of the Trinity.
