DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear missionary children,

In these last days in Turkey may the fire of your prayers intensify in the simple offering of your hearts for the conversion of sleeping hearts.

My children, Your Heavenly Mother will receive the plea and the love of each one of you in Heaven so that I may, in Glory and Mercy, intercede for the greatest number of souls possible.

My Heart rejoices because it has seen the effort of all those who pray and of the missionaries to establish a greater time of peace in this world.

Truly unite heart to heart with each one of your praying brothers and sisters, so that will be established on the inner planes the great network of light and love that will equally unite all of you through the holy impulse of My Immaculate Spirit.

Just as Saint Joseph, the Worker of God, has asked each one of you, pray for all that is happening today in the Middle East; in this way you will allow the Sacred Hearts to spiritually assist the souls that have no escape and that are imprisoned in the hands of enemies.

Dear children, each one of these souls, completely forgotten and incarcerated in the distant deserts of Syria, hope that at least somebody will remember them and will pray so that, in spite of martyrdom or decapitation, they may soon come to meet God.

Those souls are truly brave on facing their enemies, because at the most culminating time of their lives or their deaths, they give testimony to the sovereign presence of Christ in their hearts, and nobody can take this away or erase it from their souls, because in those moments Christ is also dying again with each one of them so that the enemies can be saved someday or at least at the expected day of the Final Judgment.

This is an everyday reality and it does not stop. Now, dear children, do you understand the importance of truly praying?

Know then that the most forgotten souls wait for the prayers of all praying beings. Let us be one in these times, one in Christ, and one in God, for the victory of the Kingdom of Adonai in the world.

I thank you for answering My call!

Who awakens you to the Higher Truth,

Your Mother Mary, Rose of Peace and Mother of refugees

When Our Lady finished transmitting Her daily message, She remained a time in silence until, opening the Heavens, She began to show us all of Creation, from the existence of the One Source, the presence of the Son, Jesus Christ, touching upon each one of the Archangels, the angelic legions, the suns, the stars, and other things. And in that moment the Mother began to transmit the following prayer:

Universal Prayer of Faith for Planetary Purification

Prayer to be recited during the cycle of purification and the Armageddon of humanity, at least once daily

I trust in the Almighty,
because His Hands of Mercy extend towards me.

I trust in the presence of the Powerful Son,
because Jesus Christ, Our Lord, will redeem us.

I trust in the authority of His Ministry.

I trust in the divine preaching of His holy Words
and, above all, I trust in the Omnipotence of His Christic Love.

I trust in the Omnipresence of the Holy Spirit,
because Its seven Gifts can descend over the whole planet.

I trust in the power of Its Science,
because it reveals the whole Universe to us.

I trust in the existence of Divine Wisdom,
because day and night it guides the Hierarchies and creatures.

I trust in the Fear of God,
because I know that the Father will never allow me to be separated from Him.

I trust in the seven Gifts,
because they are the visible rays in the manifestation of the Work of God.

I trust in the Sacred Feminine Source.

I trust in the universal sovereignty of the Mother of the World.

I trust in the conception and in the incarnation of the Son
that Mary, forever Virgin, gestated in Her most pure womb.

I trust in the Reign of Peace and in the living of all miracles
that the Most Holy Mother has accomplished in me.

I trust in the truth of Her Words
and in the sublime manifestation of Her holy maternity.

I trust in Her Omniscience,
because She is the creator of all works of light in the world.

I trust in the power of Her Infinite Love
and in the intercession of Her Consciousness, for each one of us.

I trust in the charity of Her Guidance and in the humility of Her Works.

I trust in Her Celestial Authority,
because She converts hearts and saves lost souls.

I trust in the existence of all the Archangels,
because they serve Our Father God.

I trust in the Celestial Commands and in all the legions of light
that carry out the project of the redemption of humanity.

I trust in Archangel Michael,
because He is our protector during the battles.

I trust in Archangel Gabriel,
because He is the Announcer of the Divine Word
and the Judge of all fallen angels.

I trust in the magnitude of Archangel Metatron,
because His Divine Fire illuminates our spirits and guides our paths.

I trust in the divine science of Archangel Raphael,
because He cures and heals all that has been created.

I trust in the power of Archangel Uriel,
because He protects the inner worlds
and strengthens our essential union with the Creator.

I trust in the presence of the Guardian Angel,
because They obediently serve and protect each one of our steps.

I trust in the continuous prayer that Their divine voice pronounces.

I trust in the protection of Their wings in the face of the attacks of the enemy.

I trust in Their holy patience, in Their divine consolation
and in the sacred refuge that They have for us.

Yes, I trust that all of this exists and I will fear nothing,
because I am a child of God and I am part of His Sacred Creative Work.

May the Most High have pity on me when I do not respond to Him.

May He give me the strength and courage to purify myself.

That in surrender, in trust and in renunciation,
I may discover the true way out towards inner freedom.

May the Will of my Father be fulfilled in this sacred humanity.

Amen.
