**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Listen attentively: love will always triumph and no matter how difficult living or manifesting it seems to be, it exists inside each being.

This divine love can do all things; it forgives all things, it endures all things, just as My Son lived it on behalf of all.

There is no other formula of this love that understands all, comprehends all, resists all in the most absolute silence.

In this acute time for the planet, love may be expressed openly in beings.

It is this love that acts above all and that, at the same time, can redeem what would seem impossible.

Love triumphs in the life of those who yield, of those who surrender, of those who accept that which perhaps they would not have deserved, because this love is so great and victorious that it can be intensified and expanded under three strands: in gratitude, in joy, and in hope.

Besides these three pillars, love also has its expression in goodness, in mercy, in compassion, in humility, in unity, in Grace, and in charity.

May this love bring to all the remembrance that any human or spiritual error or evil is defeated, because love is an unknown essence that vivifies the soul.

Risk living all for love and you will be able to recognize in yourselves the potentials that you must live, because in love peace is always present, and not conflict.

Who encourages you to live in the Greater Love,

Your Mother Mary, Rose of Peace
