DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Never, My child, let peace get away from your heart.

Never let the peace of the Universe leave your insides; strengthen yourself in it, and you will always find guidance for the circumstances of life.

Let peace work within you and do your work. Find upon this path the possibility to grow and to love.

The peace of the Universe will lead you to wisdom, since wisdom is impregnated with the Love of God.

Love and wisdom are divine currents that permeate the essence of peace, which all beings on Earth must learn to experience and find, from cycle to cycle.

Peace builds newness and therefore everything gets renewed, everything gets restored, everything participates of a greater impulse.

May peace sustain the inner worlds so that the moment of inner healing may be achieved within the souls.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
