DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Poems to the Immaculate Heart of Mary

Twenty-third Poem

Temple of Divine Wisdom,
Mother of Grace and Mercy,
Lady of Silence,
teach us to find the answers
in profound spiritual silence,
because, there, we will manage to understand
the mysteries of Creation with the heart.

Lady of Silence,
may Your profound silence before the Cross
impel us to accept with gratitude
each test that we go through.

May Your maternal silence
constantly reveal to us
the immense gratitude that You experience
in each Call of God.

Lady of Silence,
help us find the right words
in each situation of life.

May we be guided by the Holy Spirit
through Your loving
and blessed intercession.

Teach us, Mother of Silence,
to not wound others
with our words and comments.

May we give value and reverence to the Divine Word.

May we be able to discover within us
the meaning of subtle vibrations
so that we no longer waste time on unnecessary things
but rather that our words may always be
a warm and fervent prayer of silence.

Thus, with Your loving help, Lady of Silence,
we will perceive life just as You
know the life of all humanity.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
