DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

A few weeks away from next August 8th, I would like to ask you, from this cycle on, in which the Sacred Hearts will gradually withdraw, that you could review and remember all of Our Messages.

I know that there is an immensity of messages, from the year 2011 up to the present; throughout the times, from cycle to cycle, where Your Celestial Mother dealt with inner matters so that you, My Children, could be prepared for the end of time.

Thus, it would be pleasing to Me that those messages that have not yet been published start to be prepared so that, before Our Sacred Hearts completely withdraw, My children might have this divine knowledge but, above all, words of love with which to sustain their lives.

We are in the moment to carry forward this request, from now up to the end of the year. Thus, all the instruction from the Sacred Hearts will be available, and the souls will have a place to turn to and find Us, because Our Messages are timeless.

I know that this task of updating the Messages will be a challenge, but it is possible.

You have already learned, through love and promptness, how to carry forward the Work of the Sacred Hearts.

I will be accompanying you during this special task.

I thank you for responding to My call!

Who blesses you,

You Mother, the Virgin Mary, Rose of Peace
