DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My loved ones,

It is time to resurrect in spirit, every day, with the inner strength that My Son gives you; in this way, you will help humanity and its whole project to rise up, so that it may again have its place in the Heart of the Eternal Father.

Children, it is time to rise up in spirit, of knowing how to get up from the ground, of carrying your own cross of life and of achieving freedom from all suffering.

In your daily resurrection, you will gain inner strength and valor in order to surpass yourself, beyond the tests, the challenges and all adversity, because if you live in Christ, Christ will work through you in examples of love, of the giving of self and in unconditionality.

Live the spirit of inner resurrection and make of this world a new space for the coming of Christ.

Do not fail to get up from the ground and of affirming the spiritual victory that My Son left you on the Cross, because by the Cross your lives will be safe.

Go ahead!

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
