WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED at Lake Shastina, MOUNT SHASTA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My very dear children of North America,

After a long time, I am again gathered with all of you in the name of the Love of My Son, a Love that grants hearts the long-awaited Grace of forgiveness and reconciliation.

Today, as your Heavenly Mother, I come with the Sacred Star of Light from Mount Shasta on My Forehead; so that this new cycle, which begins for the Work in the United States, may bear the fruits so long awaited by the Heavenly Father.

Dear children, I want you to know that the Heavenly Father also places His Paternal Glance upon His Children most in need of spiritual healing. This is the reason and this is the motive, this is the moment in which will be born through the new Light Nucleus that principle of healing through love that the souls of the United States need so much.

From now on, I await with joy and rejoicing for the service that you will render in the coming times to the souls and hearts traumatized by war and all its consequences.

This is the day awaited by the Lord so that, in North America and through the Star of Light of Mount Shasta, the time of hope and reparation for the forgotten hearts of this country may arise; that sentiment and empathy may be born for the maimed of war, for those young and old who were prisoners of a movement and an idea that demoralized their lives, families and spirits.

Dear children, may the angels of Mount Shasta accompany you in this stage of manifestation of the Heavenly Father's Will for North America.

I bless you with My Maternal Love.

I thank those present for having responded to My call!

Who Blesses you,

Your Mother, the Virgin Mary, Rose of Peace
