APPARITION OF THE VIRGIN MARY IN BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS FOR THE MEETING OF PRAYER OF JANUARY 13

In the name of the Father, the Son and the Holy Spirit. Amen.

I rejoice to be here, in My Argentina.

I come here as a Mirror of Peace, so that souls may enter My Ocean of Peace, so that they may enter My Universe of Love, which will strengthen you at this moment, and encourage you to continue, no matter what may happen.

My children, I Am here and I Am your Mother, the Mother who listens to the supplications of Her children, the Mother of God who welcomes wounded hearts, who receives the clamor of all Her children.

I am here, My children, to encourage you, and give you bravery, so that you may feel inspired to go through these unknown times, within and outside of you.

I come here to dissolve all fear and doubt by means of the Love of My Son, Jesus Christ. He sends Me as the Lady of Argentina and the Mother of all Argentinian hearts, to remind you that He will return to this nation, and that His promise will be fulfilled, and that nothing will prevent it, because it is the Will of God, above all things.

Therefore, have faith and do not become weakened. Invoke the action of the Holy Spirit, so that you may receive Its gifts at this moment, when Argentina needs to be guided and accompanied by the Hierarchy.

In the name of all the Holy Divinities of the universe, I am here as the breath of the Holy Spirit, which embraces and envelopes you as the flame of Love that heals and cures you, and impels you to live the new time far from suffering and sadness.

I come here as the Mother of Infinite Grace, to repair the spirit and soul of this nation. For this reason, I have asked you to meet with Me, and I give thanks for the spirit of collaboration and the enthusiasm of all, regardless of what each one of My children is going through at this moment.

Place your ears upon My Chest, and feel the beating of My Heart. Allow My Hands to caress your faces. Allow My Arms to embrace you tightly, so that you may feel the embrace of God, this embrace that is tireless and eternal, this Sacred Hand of Light, which extends itself to all, so that you may hold it tightly and continue to walk with hope until you can find the universe of peace within yourselves.

I love Argentina with predilection, and I will not tire of saying this time and again, because this is a prayer for your Heavenly Mother.

I love Argentina for the Spiritual Purpose that it has in the end of times, for all that it must concretize spiritually as a nation; because it is foreseen that the Will of God will be fulfilled here,

even if the events on the surface say other things.

However, through this test of faith that each one of My Argentinian children is going through, God grants you the opportunity to strengthen your own Inner Christs and go through this moment in a way that has never been experienced before.

Therefore, I come here as the Mother of Relief, as the Mother of Consolation, as the Mother that listens to the voice of each one of Her Children of Argentina.

A time will come, a time in the future, when all will be transformed and redeemed. You already know this promise, which the Sacred Hearts of Jesus, Mary and Saint Joseph have pronounced to you throughout the times.

Believe in this, have faith, and you will be part of this someday, and so will your families and loved ones, and also this entire country, which must reflect to the world a lesson of love, faith and persistence, in which the hearts that love and live for Christ do not allow themselves to be defeated, they do not allow themselves to tremble, regardless of all that happens to them. Because the Love of Christ is in the hearts that love the Lord, and faith renews you and dissolves your weaknesses, uncertainties and also your doubts.

For this is the great dark night of the planet. Just like you, as a nation and as a people, are going through this dark night, many nations are also living their dark night, many peoples and races are going through this dark night. But for you and your brothers and sisters, the invincible and inexplicable Light of Christ will always shine in the depths of the abyss.

And raising your faces toward the Heights, you will see Him, because He will tread upon this land with His Feet, and just as He did with His companions, He will call you by your names, and in this way you will recognize Him, but some souls will have the Grace of seeing Him face to face, and in a surprising way.

What will you say to My Son when you meet Him?

Prepare this moment in the innermost depths of your hearts, because this is what matters the most for your lives at this moment: to be face to face with the Lord, and thus unite with Him, so that you may One with Him, just as He is One with the Father, and thus the Father will be One with you. Because My Beloved Son came to the world for this reason, so that all may learn to be One with the Father who is in the Heavens.

I pray for Argentina to express its sacred spiritual task through the souls that awaken and will awaken, through the hearts that dare to unite to this Universal Fraternity, in which all can live, in this time, an inner synthesis of all paths, schools and experiences which they have lived in this life.

Because in the end, My children, all schools, experiences and paths will reach one place, all paths will emerge in one place, which is the Love of God, His pulsating and eternal Heart, which vibrates in Love for all the souls that seek it, and which impels all the hearts that dare to surpass My Son in Love.

Because this is what Christ, Our Lord, hopes for, that at each passing day, and through each experience that you live in this crucial time, the center of your lives and your spirituality may be to live this Christic Love of God by means of His Most Beloved Son, Jesus Christ.

I will walk with you in pilgrimage up to the ridges of Cordoba so that, through the Marian Center of the Holy Spirit, Argentina, as a soul and as a people, may have the Grace of receiving, once again, the Seven Gifts of God, so that the souls that are here may be repaired and healed, so that all of you may feel the anointing of My Most Beloved Son, who will come to bless you, just as the Chaste Heart of Saint Joseph. Thus, the Three Sacred Hearts will bless Argentina.

The Mother of Grace, present here today among Her children and for Her children, extends Her Arms and opens Her Hands to pour out the Light of the Grace of God upon His Creatures, upon the souls that need consolation and peace at this moment, to take that Light of the Grace of God in their spirits, to radiate it to their families and loved ones, to share it with each brother and sister of Argentina.

Believe, My beloved children, in the power that the rebirth of Christ in each heart can give you.

You are now witnesses of the Blessed Sacrament of His Body and His Blood, you are part of His Great Mystical Body in the world, which reflects His Grace and Love for souls as a mirror.

In this afternoon, may you feel the joy of your souls, just as the Mother of God and Lady of Luján feels the joy of being with Her beloved children.

May the advent of hope be fulfilled.

May souls be reborn in Christ, so that peace may be achieved.

My dear children, at this moment I will bless all the sacred objects that you may have with you, so that they may continue to be a sign of conversion and redemption, of strengthening of faith and hope in the souls of Argentina.

The Rosary is the weapon against all adversity and darkness. Whoever affirms themselves in it, will never perish.

I came to teach the world to pray the Holy Rosary, so that your souls, your families and loved ones may be part of the Mysteries of God expressed in each one of the Mysteries of the Holy Rosary, and so that, through the spirit of the prayer of the Rosary, you may learn to overcome all evil and all adversity, you may learn to resolve the impossible causes. Because the one who prays the Rosary with the heart, prays with Me in the Heavens.

I bless these sacred objects, but above all I bless your hearts.

In the name of the Father, the Son and the Holy Spirit. Amen.

Thank you, My children, for being with Me. Remember that I am by your side in the silence of My prayer.

I thank you and love you.

Friar Elías del Sagrado Corazón de Jesús:

Thank you, Divine Mother, for all that You give us!

In this meeting, we honor You, Lord!

And now, we will prepare ourselves for the Spiritual Communion, and offer this Communion for the reconsecration of Argentina to the Sacred Heart of Jesus, responding to the request of our Most Holy Mother.

While we prepare ourselves, we will sing "Song for Christ", preparing our inner world and our consciousness to participate in this Sacrament of the Holy Eucharist and in the Sacrament of the Baptism, which comes as a renewing Grace for all of us.
