WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In this dark night of the planet, do not fear to go through your own purification, but be attentive and patient to know that each moment is to be transcended and overcome through the strength of the Love that Jesus, My Son, gives you.

Surrender yourselves definitively at the Feet of the Lord and no longer resist. Allow Him, finally, to make you His instruments of peace and good for the world.

No one will be able to reach the Father except through the Kind Heart of Christ, in Him is the answer, in Him is relief. In Christ, My Son, you will find peace again.

On this day, I have the joy of returning to My beloved and eternal Aurora, but I can return through those who today, in simplicity, open the door of their hearts to Me so that the Mother of Aurora may also have a place where She can always return to.

Today, in particular, I would like all those who have ever stepped upon the sacred ground of Aurora to know about the special stage that it is going through, through all its servants and members on the surface.

Therefore, I remind all My children that, from Aurora and through Aurora, many of you received the Grace of redemption and of peace. I would not want you to forget this.

Aurora is preparing for a new stage, thought and meditated upon by the Heart of God. I would like My children to be attentive and receptive so that they do not miss the signs that Aurora, as a Center of Love, will give to them.

Aurora is silent donation. Aurora is the Kingdom that withdraws itself and then expands through its inner Light.

Aurora is the support of those who always say yes to it and do not forget it, because Aurora will never claim what it has given. Aurora is the sacrifice of the heart that loves it.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
