Special daily message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

My dear children:

With a joy that moves My maternal Heart, I invite you to seek on this day the true fusion with the Holy Spirit, so that under this Sacred Presence, full of love and of truth, you can walk towards the discovery of this Grace that comes from beyond the spiritual plane and that is born from the Divine Source.

Saint Joseph knew together with Mary the expansion of these Gifts, gifts of humility, of charity and of wisdom which brought to the world the Mercy of God and the good for all souls.

At the doors of this sacred knowledge, dear children, I invite you to seek the truth that dwells in the Heart of God.

Each time you ask the Chaste Heart to intercede for humanity, you are simply calling upon the inner merits that Saint Joseph attained as a man of this Earth and, in the same way, your prayers attract the infinite gifts of the Holy Spirit of Joseph, as was the gift of consecration that He lived out of love for the project of humanity.

Dear children, open the doors of your hearts to find this divine reality and embrace this path towards the discovery of the true essence of all things.

Saint Joseph wants to help you to be simple, humble and good. There will be no other inner path nor other divine philosophy that you can follow, other than the holy path that Saint Joseph lived for all.

Christ is unique and there will be no other Messiah like Him, who has lived and preached among you. Christ is Glory and Divinity, and He will now only return to the heart of the one who, being a sinner, asks for His Divine Mercy to be forgiven.

Children, emulate the path of the Sacred Hearts, but do not want to be something that in truth you are not, be humble, serve and embrace with love the cross that My Son gives you. Follow Him, pray with fervor for this decadent humanity and replace in your minds all the ideas of a spiritualized life for your true self.

Your Heavenly Mother, Saint Joseph, the Worker of the poor, and Christ, your Lord, who is seated at the right of Abba, wish to inspire you to live a life of holiness. If at least somebody were holy and silent, the world would change and the path of humanity would be safe.

Believe, feel and see that Christ, the Glorified King, Holy Mary of Aurora and Saint Joseph the Worker visit you in this house as in other places of the world, that are today Centers and Marian Sanctuaries of Grace and of Mercy.

Recognize the Work of the Celestial Messengers, to which you are called to participate in humility and without realizations. The only miracle for your beings is the loving offer of Heaven on the path of forgiveness, redemption and conversion.

I thank you for having responded to the call of the Divine Messengers!

Who unites you to the only celestial truth,

Your Mother Mary, Rose of Peace
