**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

For the bliss of the reencounter of your hearts with Christ, today I invite you to continue celebrating with Me the anniversary of My Apparitions in Medjugorje.

Today I ask you that in your hearts be ignited the Flame of Love that My Son entrusted to each one of you. The infinite Flame of Love of the Creator will be necessary for the times of great changes; the flame of the Merciful Love of My Son that will guide you and will protect you by means of the prayer of the heart, the infinite Flame of Light of the Holy Spirit that will bless you and will fill each one of your lives, as a renewing Source of Grace.

My children, in the month of September we will have in Brazil the Anniversary of My apparitions and, especially, of My Guidance and of My Love for you. So that the work of My Inner Peace in you can continue, My little children, today I also call you to the collaboration which must be born from your hearts, because if this is so, then I will be able to contemplate this gesture as a sincere action towards Me.

My children, remember that each work that My Heart has realized throughout this time in this world has been for the simple reason of uniting again souls with God, the Creator, uniting again what was separated and distant in each one of the consciousnesses so that each one of My children would be able to know the essence of the Love of God.

Today I reconcile you with the Holy Spirit of the Father so that your hearts, permeated by His Eternal and Loving Peace, may be able to walk towards the consecration to My Immaculate Heart.

Know, dear children, that Jesus has His Arms open in order to give you, with purity, His Divine Redeeming Love.

I thank you!

Thank you for responding to My call.

Mary, Divine Mother of the Conception of the Trinity
