DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While there is still enough time, your Master and Lord will try to help the entire planetary situation, will try to encompass the greatest number of consciousnesses and of nations possible, to free them from error.

In order for this to be possible, My apostles must be clear about the path they have chosen to follow and not hesitate, otherwise, they will give the Hierarchy a lot of work, mainly in the moment of carrying forward the divine operations on Earth.

Before this mission can succeed, you must ask yourselves what it is you will do in this time when faced with the undeniable commitment to Me.

By all means possible, I am trying to have you understand and live the extent of this rescue mission during the end of these times.

From now on, I need there to be sufficient clarity in you so that you are able to discern and make decisions.

I do not need you to retreat, as in other times. I need you to advance together with Me on this mission, for Mercy and for peace in humanity, because in a short time I must entrust My Treasures to the Earth so that My apostles may work with them, so as to prepare for the definite return of your Lord to humanity.

With Greater Love in My Heart, I hope you understand what I am telling you.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
