DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit, Amen.

It is in the silence of My Heart where I can listen to your prayers.

It is in this moment, in which all My children are in My Heart, not only because of the situation of the planet and that of humanity, but because it is now time for the preparation of the return of My Son, the Christ.

I come to meet you with a Message of peace, healing and reconciliation. The world has not yet understood the Message of the Heavens.

Tirelessly, I come to My children to take them towards the Peace of My Son, towards the spiritual communion with God. In this exercise, the souls will be renewed and will find the internal strength to go forward.

Even though I am withdrawing in this time, My children, My Presence will not be erased from your hearts and lives.

You must watch, within you, every moment shared with Me, every opportunity in which I have taught you about love and forgiveness.

I always want to take you to this path, so that love and forgiveness may unite hearts, reconcile lives and bring peace.

Behind Me on this day, I bring the Universe, that Universe which you must aspire to find within yourselves: the Universe of the Love of God, a Love that always renews itself, a Love that never dies, a Love that is immortal.

It is this Love of the Universe of God that brought My Son to Earth, from His Birth until His Ascension, while passing through His painful and difficult Passion.

It is in this triumphant Love, My children, that I want to see you, a Love that always says yes, a Love that is unconditional and alive and that understands and comprehends the Plan of God.

His Work manifests one of so many aspects of the Love of God, this is why it is alive and never dies. It is a Work that will always give an impulse to renovation, to the change of consciousness and to peace: in this way, many more hearts will be healed. And, in spite of not being here, even at a distance you will feel the strength and the power of this Love which My Son, Christ, brings to you, by means of His Presence and His Sacraments

Today, in a special and loving manner, I am anointing you with My Light, so that you may place your miseries and imperfections at My Feet, and so that, within you, there may remain only the truth of the Love of God, all that He has conceived within you since the beginning up to the present.

Today, I share with My children the beauty of the Love of God through creation and through nature. Thus, renew yourselves and, at this moment, find the opportunity to receive My Grace.

Today, I dedicate these words, in this way, because I have found a special place, a special reception that I have always felt and recognized.

Thus, I continue inviting you to live in My simplicity and humility, knowing that the challenge in this time will be greater than it has been before, but in the Silence of My Heart and My life, I will be here with you so that in prayer you may keep on strengthening yourselves and fulfilling the Plan of God.

My first aspiration is that the triumph of My Immaculate Heart be in your lives to then be in the lives of your brothers and sisters.

Continue to aspire for this moment in which the victory of the Love of the Mother of God will be concretized with the redemption of all souls.

Be a testimony of My Message, of My Word and, above all, of My unconditional Love that will always nurture you and lead you to live the Will of the Father, just as His Servant had lived It in the past.

Today, I not only consecrate this image of the Virgin of Guadalupe which is at the foot of this sacred tree, the jacaranda, but I also consecrate this monastery, which will promote and welcome My call in the Community of the Virgin Mary.

Thus, this Marian Center, despite these difficult times, will be able to shine with all the Light that God has deposited within it by means of His Grace.

This must be the Community of the heart, of the heart that feels, of the heart that recognizes, the heart that serves, the unconditional heart, of the heart that proclaims peace and tirelessly lives it.

In this way, in the Community of Mary, everyone will be able to be in My Heart, not only those who live here, but also those who are not here. My Heart is the maternal home to all My children. I have a special place for each one of them.

My Heart is what I can offer and grant to you, it is the testimony that God is here, by means of His faithful, tireless and eternal Servant.

Divine Father who art in Heaven and on Earth, who lives and perpetuates Yourself in the hearts of Your children, grant My children, those who are here today, the Grace and the strength of carrying forward this task, which will be filled by My Love so that, each day, they may all feel more like worthy children of God and of Mine, children of My Immaculate Heart, children of life, of redemption.

May Your Light, beloved father, make Itself present at this moment, and may Your Peace embrace hearts so that they may feel to be in the refuge of Your Love forever. Amen.

With simplicity and austerity, I thank you for responding to My call.

I Would like a humble chapel of prayer here, in this location, where the Virgin of the Most Holy Rosary of Fatima can silently work for Her children of the Community of Mary and of all the Communities so that, through this chapel, the energy and the principle of consecration may be alive in the hearts that offer to surrender to God.

By means of this humble chapel of prayer, I will sanctify the disciples of My Son. It will be a chapel of thanksgiving of this Order to the Mother of God and on behalf of all the religious orders of the world.

My Heart will always lead you to God.

I thank you.

In the name of the Father, the Son and the Holy Spirit. Amen
