WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

May the hope of Jesus fill your hearts and through this luminous hope that comes from Christ, may souls rediscover the primordial meaning of living in God and in His Sacred Commandments.

Divine life is governed by Laws and it is through the actions of the Laws of God that perfect balance is manifested and all that is under the Greater Law remains in harmony.

I tell you this, dear children, so that you learn to distinguish when you are in communion with the Law and when you are not, and this will happen through your free will. This is how the soul knows when it is walking in righteousness or when it is deviating from its Purpose.

In these times of great challenges and unpredictable situations, being under the Law will protect and safeguard each one of your steps because, in the face of the threats of the world and of life, seeking, being and remaining in the Law will allow certain events not to be precipitated.

You, My children, through the state of the planet, can see with your own eyes how much humanity and the lives of My children are outside of the Law.

Therefore, those who are more conscious and who have had the Grace of being touched by the Word of the Sacred Hearts must make the greatest effort to be in the Law and to practice It on behalf of all those who transgress or deny It.

For this reason, I spoke to you last Saturday about obedience, because My Son asked Me to, so that your consciousnesses may be aware that, in these last Messages that I am delivering to you, are the final keys so that your lives may become a true mirror of Heaven on Earth through communion with the Laws of God. Many will need this.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
