DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

With My golden and confederate Star of Light, for the world and for humanity, I radiate all the help that you need and, at this moment, I ask the angels of transmutation and of healing that they be present to battle with everything that causes the life of humanity to collapse.

With My confederate Star of Light, I expel all the contrary currents that feed from the uncertainty and the chaos that is being experienced at this moment on the surface of the Earth.

I invoke and I ask the warrior angels, with their swords, to dissolve all the ties and the chains of darkness that carry many souls into hell.

I plead with the Eternal Father that the angelic armies of adoration and of praise send inner and divine strength to all Guardian Angels that untiringly battle to maintain the protection of those entrusted to them.

I unite My confederate Star of Light with the four cardinal points of the Earth so that the angels of the north, the south, the east and the west present themselves to the Heavenly Mother and liberate the planet from the currents of evil that oppress the life of those who endure and suffer the plague of this time.

With My confederate Star of Light, I attract the gift of the Wisdom of God to inner worlds so that, at this moment, souls live obedience and do not forget about it, because obedience will keep them protected from themselves.

Holding the rosary in My hands, I thank all those who respond to My call to pray the Holy Rosary, because it is Our main weapon of defense.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
