**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My children,

With immense joy and bliss today I tell you that the Plans of the Father are being fulfilled through each one of you. Therefore, My little ones, the reason for My words today is so that your hearts may celebrate with Me because the Celestial Plans are being manifested in the hearts of all those who hear My call.

As humanity still needs much Mercy, I ask you to continue in fidelity on the path of consecration, an eternal path towards God. Today I want to thank all the soldiers united to My Immaculate Heart for answering and responding, over the last eight months and also in these past years, to all My requests of prayer for the souls in the world and especially for this beloved planet of God.

Dear children, in this way I invite you to deepen into the Mysteries of Contemplation of the Holy Rosary so that each one of your souls may find the keys that will unite you with My Son, with each of His passages, the ones He left as a teaching for you.

Today I invite you to keep your hearts inside My Immaculate Heart. As the Co-Redeeming Mother, after Christ, I want to sustain you for a long time in My arms so that each one of the lives of My children may live in the Eternal Grace of God.

I want to accompany you from this life until Paradise. I know each soul well and I know what each one of My beloved children needs in these times.

Infinitely in the presence of Jesus, the praised King of the Universe, today I tell you: I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
