**Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón**

My Spirit of Peace gathers the priests of the world so that, on the plane of the soul, they may together celebrate the Communion with Christ.

In My priests, the Divine Face of My Son must be mirrored, and this will be possible when each one of the priests accomplishes their sacred professions.

In the priests the Passion of My Son must be present; it must be vivified every day through the Sacred Sacraments. The Lord becomes present in Spirit and Life when each of His priests relives His Last Supper.

The priests must be included in the daily prayers of all, for the prophecy of the one hundred and forty-four thousand must be fulfilled in them.

The priests of Christ are present in order to attract the universe to the Earth, and it is the commitment of all good souls to participate in this sacred event when My Son becomes present in the bread and in the wine.

Each time such an exercise of transubstantiation is repeated, new Graces are poured upon the consciousnesses that perhaps would never have received them, except by means of the Sacred Communion.

The priests of Christ are a part of the spiritual movement which is gestated by the Divine Mother of the World, the Marian and Christic priestly movement, through which the foundations of the devotion to the Sacred Heart of Jesus and to the Immaculate Heart of Mary can be present in the lives of creatures, from the moment when the priests gather among them to celebrate the Passion of Christ in the Communion.

Such movement will be gestated from the moment when, after so many priestly meetings of spirituality, the principles of that movement may be formed and thus attract souls towards the deepening of their Christic path.

Such priestly movement of devotion already exists in the world. The establishment of this new movement is an extension and deepening that will help to strengthen the commitment of each priest of Christ with the plan of salvation, generating a divine field of protection.

I invite all prayer beings to pray for the coming manifestation of this spiritual movement of the Sacred Hearts.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Mother of the Priests of Christ
