WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

As I have announced to you, this is My Message that communicates the recollection of the Sacred Hearts, so that in this month of August, souls may finish confirming themselves before God.

For this reason and under the Will of God, on this day, I am here as the Mother who internally teaches you to live this moment with the maturity and gratitude that God deserves after having granted you, for so many years, all the possible Graces of Heaven.

My children, after such an extensive time of promptings and detailed instructions on how to humbly build the inner life, the time has come for the companions of Christ, in a mature and available manner, to stand in line for the planetary service which at this time His Heart offers.

Therefore, dear children, Christ, your Lord, expects that the servants He has summoned and prepared in these recent times are ready for the cycle of the planetary emergency. Thus, they will be able to meet the needs that arise in these times.

From the beginning, the Sacred Hearts had the mission of preparing the inner worlds to be able to go through their own purification and also to learn to go through the purification of the consciousness of the planet.

It is necessary, My children, that you elevate yourselves through self-giving and service so that all of humanity may be uplifted in some way.

This is the time to learn to grow inwardly to know how to overcome challenges, just as the Holy Family or Jesus Himself overcame them through His painful surrender on the Cross.

May the month of August bring to fruition what God so much awaits to be given in self-sacrificing hearts.

I am here to encourage and guide you.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
