DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Dears:

Empty yourselves to be in Me, it is a long path that, however, you must travel through the faith and the trust in My Sacerdotal Heart.

For this I come back day by day to you so that in surrender you may discover in the merciful prayer the great Source of My Love for the souls and for all humanity. Today My paternal advice is extended to those who are consecrating themselves to My Spirit of Universal Love, thus the redemption reached once on the Cross of Calvary will irradiate itself as an intense light over the hearts that open themselves to receive It

I Am with each one of you; My Paternal Soul is especially with those essences that are beginning the path of return to My Sacred Heart.

Dears, in the same way as the Holy Apostles, you will live the transformation of matter and of spirit because if it happens, My Dwelling may reside and rest within your little inner temple. I only want from My ones all, all that you are and all that still you are not, I want you entire, willing, trusting in My Consciousness, open from heart and soul so that My rays may restore the past of your lives, free you from sin and lead you towards the Kingdom of My Lord.

You have the opportunity My dears, to live in My Kingdom while you are present in life on the Earth. There is something precious that God guards for each of the essences created in the image and likeness of the Lord.

For this, in courage I want to see you, joyful in the transformation and in the changes that your consciousnesses are passing through. I just wait from you sincerity in the love for Me because in this way I will be able to pour My Graces over those who from serious faults deserve My Mercy.

Companions, the path to be travelled still has not begun; you are beginning the first crossing that tries to take you to the depths of My Heart. If you and your brothers and sisters are taken to My Heart of Love I will be able to tell you that you will be quenching the thirst that I live for many souls. My thirst must in this time be calmed by your prayers as for your constant offer, so that the Christic plans may be accomplished in all of the hearts.

I accompany, as My Holy Mother has said, each one of the steps that are manifested for this transition of the world. May the power of My Redeeming Love transform you and consecrate you to the Kingdom of My Father.

I am with your dwellings.

Under the Light of the Father be blessed.

Thank you for guarding My words in the inner heart!

Christ Jesus.
