DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When a spiritual and divine door opens in consciousnesses that had been asleep, other doors open through the universal impulse that the first door delivers.

At that moment the principle of purification begins to manifest, and consciousnesses are led to know the process that they will have to face in its entirety.

Thus, everything that is a part of the debts is drawn towards the consciousness of those who at last have decided to tread the path of the spirit so that, in this way, everything may be liberated.

In this sense, when the consciousnesses that already serve in a continuous manner undergo this experience, they are led to face the process of their purification in a universal way.

When the scales of life and debts is out of balance, it means that consciousnesses will go through an intense experience, which will lead them into defining themselves within the Plan of Love and of Light.

At this time, the Hierarchy offers humanity the opportunity of balancing its paths and of following the only path of the evolution of consciousness.

This will cause all to be exposed within a consciousness. We must therefore pray and become more peaceful.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
