DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If the Amazon region is totally devastated, as it has been happening throughout the recent years, and if the government continues forcing its ideas and projects upon Creation, the Brazilian people will witness events that will reach beyond the communication media and the newspapers.

Nothing can stop the trial and justice that the head, who was chosen to govern this country, will face, because no creature on the surface of Earth will be able to modify or deter the powerful action of the Universal Laws and, above all, the Universal Law of nature itself. This punishment can only be stopped with prayers from the loyal devotees of My Sacred Heart.

When I asked you to pray for the reconsecration of Brazil, it was so that at this moment you might be strengthened before all the unimaginable, which will show up overnight.

I want you to understand, companions, that never should anyone dare to challenge the Law, as many men and women do, because their lives will not only be unhappy, but sooner or later they will be converted into a disgrace, impossible to be hidden from anybody.

In the same way, I have come to ask you to pray for the reconsecration of Argentina, for the Argentines to be protected.

If within Brazil the harmful projects against life and against nature are not deterred, you will see not only fire, but also a lot of innocent blood flow, like rivers, and this will be similar to what happened in Kibeho, Rwanda.

If at this same moment the Brazilian government does not stop and listen, although it does not believe in the divine existence, many will cry more than hundreds of raindrops that fall from the sky.

I come to avoid a national and social catastrophe. Therefore, take My Message to the world, because if you do not do what I am asking you, South America will experience the consequences, a drought as it has never experienced one before.

There will not be a new flood, but rather rain will fall from great and unknown stars that will end a part of humanity.

I call you to be conscious.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
