DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE city of Niagara-on-the-Lake, ONTARIO, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To My Dear Consecrated Children with the Sky-Blue Mantle of the Mother of God

My little ones,

On this special day, while the altar of the heart of each child of Mine is offered in the hands of your Heavenly Mother, the inner vows of fidelity before the Eternal Father are again renewed.

As a part of My praying armies on Earth, the roses of prayer, of each Child of Mary, are placed at the feet of the Mother of God.

And these intentions are today gathered up and taken to the greater Altars of Heaven so that the Divine Father may accept them and, according to His Most Holy Will, He may pour out His Mercy even more upon a world and a humanity asleep due to indifference.

This day of renewal is not only important for the inner and spiritual life of each child consecrated with the Sky-Blue Mantle of the Mother of God, but also the offering and carrying forward of this 6th Annual Meeting of the Children of Mary places all of My children before the definitive entrance into the last stage of the planet.

The fidelity, love, service and prayer of each consecrated child is what will remain as light in the world when your Heavenly Mother retreats into the celestial spheres.

It will be the praying voices of the Children of Mary that will protect the families of the world and all the helpless, just as prayer will also encompass all Creation.

Hand in hand, the Children of Mary will be the pillars that, at the moment of the great battle, will fight, through their word and love, for the triumph of My Immaculate Heart.

On this day, I prepare you for this moment, because it is near.

May the Divine Light of the Love of God bless and reaffirm the inner vows of each consecrated child for this next stage of humanity.

I thank you for responding to My call, and I am very grateful for the Meeting today!

Who always blesses you,

Your Mother Mary, Rose of Peace
