WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Today My gaze of a Mother turns towards Argentina at a moment in which all My Argentine children face their own individual and group calvary.

As the Lady of Luján, today I come to tell My children from Argentina not to allow faith to fade from their hearts.

I carry the heavy cross of inequality and injustice with you.

I walk by your side, as a tireless and hardworking people who, time and again, gets up from the ground to continue walking.

I pray for all families of Argentina that have lost their loved ones in this time of pandemic and of deep pain.

Dear children, may your example of persistence in prayer become like a great mirror that can reflect, for all your brothers and sisters, the attributes that souls will need at this time in order to face this feared and unknown combat.

Through the opening of the abortion law, Argentina compromised its paths. As Mother of life and of the innocent, I ask you to repent for those who do not repent. This is not because of religion, but because of discernment and wisdom.

Children of Mine, I pray day and night with you; in your homes and with your families.

I am the Mother who will never abandon you because this is the time of purification.

May your faith in Christ never end. Now, the time has come for each of you to take up your own cross and follow Him.

This is the hour when My Son will know with whom He will truly count on until the end.

My beloved children of Argentina, My Peace is with you and with your entire country.

I am here, and I listen to you. This is the cycle of the great end. Prepare yourselves.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
