**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?**

Children,

Always bring My message of peace to the world and to all of the souls that do not know the power of My maternity and of My Love.

In your paths you will find hearts in need of the Mercy of God and it will be this Divine Mercy that will open the door for redemption and for the liberation of the sins.

For this, children, be apostles of Christ in love and in truth. The adversary fears these great virtues because there he cannot establish his kingdom of darkness. Love and truth will make you understand and accept the current decadence of an indifferent and materialistic humanity. In this humanity there are still praying souls that shine and bring hope to an uncontrolled and restless world without peace or unity.

Dear children, the times will be complicated because humanity and mainly some hearts without God will promote unusual events for the world. For this I come to ask you that everyday you may offer the prayer of the heart. It will be your shield against My adversary.

Those who do not pray, how will they be saved? This is the science of the end of times, the prayer of heart, the prayer of love, the prayer of truth, of peace.

I thank you for answering to My call!

Who blesses you in calm and in peace,

Your Mother Mary, Rose of Peace
