DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the same way that Argentina, in the next cycle, will receive the revelation of the spiritual treasures that it holds from Tierra del Fuego up to La Quiaca, Argentina as a people will also be a witness to events never seen before.

For this reason, I am preparing the inner space of My children of Argentina for this time in which things unimaginable to the human mind will be shown.

Argentina will see for itself the time of its purification so that after that time all may again renew and blossom.

A land cannot give good fruits if it is contaminated; any fruitful land must be fertile and strong to give the best fruits.

The same will be of Argentina; its land will be cleansed of things that mistreat and contaminate it.

If you see the sky overcast, you could say: rain will come. If you see the sky full of stars and without any haze, you could say: tomorrow will be sunny.

All signs of time and elements exist to be interpreted and thus are learned how to be read during the events.

You only need to believe in the signs that there will be in the sky, in the stars, on the moon, on the sun, upon the Earth, in the oceans and in nature.

Do not believe in everything that will be said, because they may not be true signs. Believe in what the Creation will show you and you will know the science about the end of times.

Argentina will be the cradle of important events, and this is near.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
