**WEEKLY MESSAGE TRANSMITTED BY THE VIRGIN MARY, ROSE OF PEACE, IN CORPS, FRANCE,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear Children:

Today, as the Mother of purification, I hold with My Hands the flag of the nation of France, so that its spiritual consciousness may be purified through the Light of My Heart, so that its soul may be purified through the Love of My Heart, so that its people may be reconciled through the Peace of My Heart.

Today, My children, I contemplate a France unrecognizable in its spiritual aspect, not only because of its society, but also because of its religion, which stained the soul of many consciousnesses through its acts. That is why, children, as the Lady of La Salette, I weep before all that this beloved country of Mine is experiencing.

I come for you to know that France has always been the cradle of important saints and enlightened by the Holy Spirit. France has always been chosen by Me to carry the message of peace and penance.

In Lourdes, I came to call souls to repentance to prevent the bloody French colonization from happening, but My call was not accepted.

Through the Message of La Salette, I came to guide My children to the Purpose of God, but it was not enough.

And today, I return once again to My beloved France so that, as a country, it may be a people of open arms and not a society of constant confrontation.

That is why I am here, as the patient Mother who cries and cries out for France to recover its spiritual and human dignity; so that what is so characteristic of all French people may help to heal the wounds of colonialism, slavery and the errors committed throughout the ages in Africa and in the world.

France needs to place its knees on the ground and implore for Mercy and Pity so that it may reach the conversion of the heart and of its innermost essence.

I will have My Mother's gaze upon this dear people of God.

I thank you for responding to My call!

Who Blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of France.
