Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

I Am the Sun that illumines the times of darkness with love, and Who, under My Mantle, places all souls so they may achieve Divine Protection.

In truth I tell you that the apostles who are on the front line of preparation for the Return of Christ must face all kinds of abysses and tests within themselves which will place them even closer to My Son; for in this way, the human and archaic condition will gradually dissolve from the material consciousness of human beings.

Thus, you must seek a spirit of immense meekness, patience and resignation, since in these times, it will be important to give your all for the all, due to the great planetary imbalance of this race.

I encourage you to go through the end of times with an inextinguishable spirit of hope, for in this way, you will acquire the inner strength to move forward with the Redemptive Work of My Beloved Son.

I only ask that you remain calm, serene and receptive; and that in each new inner and outer battle, only love reigns, because the love that can emerge from your hearts will dissolve everything in light.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
